

FINISH LINE GRANTS

Are you half-way through your training program and now find yourself facing an unforeseen emergency?

Finish Line Grants may be able to **HELP YOU!**

The Finish Line Grants are set up to provide support services to students' persistence toward degree completion by removing unforeseen financial obstacles from their path, which if not resolved quickly could cause students not to complete their training.

WHO IS ELIGIBLE FOR FINISH LINE GRANTS

Students enrolled in community colleges across North Carolina are eligible. Students must be in good academic standing (*at least a 2.0 GPA*) and have completed (*or be enrolled in*) at least 50% of their degree or credential program and be a US citizen or eligible non-citizen.

Students meeting the eligibility requirements for the Finish Line Grants may be eligible for up to a maximum grant of \$1,000 per semester for no more than two semesters.

These funds may be used to assist with unforeseen financial emergencies such as: auto repairs, child care, dependent care, housing, transportation and more.
