## INSTITUTIONAL INFORMATION FOR REVIEWERS

### **Directions:**

*Please address the following and attach the information to this form.*

### **1. History and Characteristics**

Provide a brief history of the institution, a description of its current mission, an indication of its geographic service area, and a description of the composition of the student population. Include a description of any unusual or distinctive features of the institution and a description of the admissions policies (open, selective, etc.). If appropriate, indicate those institutions that are considered peers. Please limit this section to one-half page.

Chartered in 1958 by the State Board of Education, Lenoir Community College (LCC) began operating in 1960 as the Lenoir County Industrial Educational Center with the first classes held at Contentnea School. In 1963, LCC became part of the North Carolina Community College System, which was established in 1963 under an enactment of a general statute by the legislature. LCC was initially accredited by the Southern Association of Colleges and Schools Commission on Colleges in 1968 and has maintained accreditation ever since.

One of the oldest institutions in the NC Community College System, LCC's main campus is located in Kinston, North Carolina. Its primary service area is Lenoir, Greene, and Jones counties. Lenoir Community College's mission is to "meet the personal, cultural, and professional educational needs of our students through affordable, accessible, and innovative educational programs." This commitment to opportunity is reflected in the College's open-door admissions policy. Individuals 18 years old or older and able to profit from further formal education, or a high school graduate under 18, may be admitted to the College. Individuals under 18 years of age who have not attained graduation from high school can attend the College as stipulated by the policies of the State Board of Community Colleges.

The comparable sizes of LCC's Continuing Education and Curriculum divisions make it unique within the NC Community College System. During the 2022-2023 academic year, LCC served approximately 9,800 unduplicated Curriculum and Continuing Education students. Of those approximately 9,800 students, 43% were classified as white, 40% as black, 14% Hispanic, approximately 1% Multiple race/ethnicity, and approximately 2% American Indian/Alaskan or Asian. Additionally, 54% of 2022-2023's enrollment resided in LCC's tri-county service area and only 2% of the total enrollment resided outside of North Carolina. According to the North Carolina Community College System, LCC ranked 21th in unduplicated enrollment headcount among the 58 North Carolina community colleges in 2022-2023. LCC considers its peers as Johnston Community College and Craven Community College due to their proximity and similar annual enrollment.

The College is committed to quality education and student success and offers 43 associate degree programs, 19 diploma programs, and 66 certificate/skills certificate programs and 4 Career and College Promise Pathways. LCC is also well recognized for its health sciences and nursing, business, industrial, public safety, continuing education, college transfer programs, and collaborative programs with the local public high schools.

## 2. List of Degrees

List all degrees currently offered (A. S., B.A., B.S., M.A., Ph.D., for examples) and the majors or concentrations within those degrees, as well as all certificates and diplomas. For each credential offered, indicate the number of graduates in the academic year previous to submitting this report. Indicate term dates.

Does the institution offer any credit, non-credit, or pathways English as a Second Language (ESL) programs? If yes, list the programs.

### 3. Off-Campus Instructional Locations and Branch Campuses

List *all approved off-campus instructional locations* where 25% or more credit hours toward a degree, diploma, or certificate can be obtained primarily through traditional classroom instruction. Report those locations in accord with the Commission’s definitions and the directions as specified below.

**Table 1: Off-campus instructional sites**—a site located geographically apart from the main campus at which the institution offers 50 % or more of its credit hours for a diploma, certificate, or degree. This includes high schools where courses are offered as part of dual enrollment. For each site, provide the information below. **The list should include only those sites reported to and approved by SACSCOC.** Listing unapproved sites below does not constitute reporting them to SACSCOC. In such cases when an institution has initiated an off-campus instructional site as described above without prior approval by SACSCOC, a prospectus for approval should be submitted immediately to SACSCOC.

Name of Site	Physical Address (street, city, state, country) Do not include PO Boxes.	Date of SACSCOC approval letter	Date Implemented by the institution	Educational programs offered (specific degrees, certificates, diplomas) with 50% or more credits hours offered at each site	Is the site currently active? (At any time during the past 5 years, have students been enrolled and courses offered? If not, indicate the date of most recent activity.)

*Note:* Bethel Christian Academy (1936 Banks School Road, Kinston, NC 28504) and Greene Central High School (140 School Drive, Snow Hill, NC 28580) are open off-campus instructional sites with Approved  $\geq 50\%$  type. At this time, the credit hours offered at Bethel Christian Academy and Greene Central High School constitute  $< 25\%$  of any diploma, certificate, or degree. Consequently, Bethel Christian Academy and Greene Central High School do not appear on Tables 1 or 2.

**Table 3: Branch campus**—an instructional site located geographically apart and independent of the main campus of the institution. A location is independent of the main campus if the location is (1) permanent in nature, (2) offers courses in educational programs leading to a degree, certificate, or other recognized educational credential, (3) has its own faculty and administrative or supervisory organization, and (4) has its own budgetary and hiring authority. ***The list should include only those branch campuses reported to and approved by SACSCOC.*** Listing unapproved branch campuses below does not constitute reporting them to SACSCOC. A prospectus for an unapproved branch campuses should be submitted immediately to SACSCOC.

Lenoir Community College does not operate branch campuses

#### 4. Distance and Correspondence Education

Provide an initial date of approval for your institution to offer distance education. Provide a list of credit-bearing educational programs (degrees, certificates, and diplomas) where 50% or more of the credit hours are delivered through distance education modes. For each educational program, indicate whether the program is delivered using synchronous or asynchronous technology, or both. For each educational program that uses distance education technology to deliver the program at a specific site (e.g., a synchronous program using interactive videoconferencing), indicate the program offered at each location where students receive the transmitted program. Please limit this description to one page, if possible.

**Distance Education Approval Date:** 06/20/2000

## 5. Accreditation

(1) List all agencies that currently accredit the institution and any of its programs and indicate the date of the last review by each.

Program	Accrediting Agency	Date of Last Review (Next Review)
Automotive Systems Technology	ASE Education Foundation	4/2018 (6/2024)
Basic Law Enforcement Training (BLET)	North Carolina Department of Justice Criminal Justice Standards Division	1/2019 (1/2024)
Computer-Integrated Machining	National Institute for Metalworking Skills (NIMS)	2023 (TBA)
Cosmetology	North Carolina State Board of Cosmetic Art Examiners	7/2023 (10/2023)
Emergency Medical Science	Commission on Accreditation of Allied Health Education Programs (CAAHEP)	2020 (2025)
Medical Assisting	Commission on Accreditation of Allied Health Education Programs (CAAHEP)	11/2021 (Spring 2031)
Polysomnography	Commission on Accreditation of Allied Health Education Programs (CAAHEP)	11/2018 (2029)
Radiography	Joint Review Committee on Education in Radiologic Technology (JRCERT)*	11/2022 (11/2026)
Surgical Technology	Commission Accreditation of Allied Health Education Programs (CAAHEP)	11/2019 (2029)
Nursing	National League of Nursing Commission for Nursing Education Accreditation (NLNCNEA)*	10/2023 (10/2028)
Practical Nursing	National League of Nursing Commission for Nursing Education Accreditation (NLNCNEA)*	10/2023 (10/2028)

\*JRCERT and NLNCNEA are currently the only accrediting agencies for LCC that are recognized by the USDOE.

Some of the LCC's programs are programmatically accredited or, where appropriate, approved by a regulatory body charged with oversight in the profession or discipline.

(2) If SACS Commission on Colleges is not your primary accreditor for access to USDE Title IV funding, identify which accrediting agency serves that purpose.

N/A

(3) List any USDE-recognized agency (national and programmatic) that has terminated the institution's accreditation (include the date, reason, and copy of the letter of termination) or list any agency from which the institution has voluntarily withdrawn (include copy of letter to agency from institution).

Not applicable. Joint Review Committee on Education in Radiologic Technology (JRCERT) and the National League of Nursing (NLN) Commission for Nursing Education Accreditation (NLNCNEA) are the only USDOE-recognized agencies that accredit LCC programs. LCC remains in good standing with both JRCERT and NLNCNEA.

- (4) Describe any sanctions applied or negative actions taken by any USDE-recognized accrediting agency (national, programmatic, SACSCOC) during the two years previous to the submission of this report. Include a copy of the letter from the USDE-recognized agency to the institution.

Lenoir Community College has not had any sanctions applied or negative actions taken by any USDE-recognized accrediting agency.

**6. Relationship to the U.S. Department of Education**

Indicate any limitations, suspensions, or termination by the U.S. Department of Education in regard to student financial aid or other financial aid programs during the previous three years. Report if on reimbursement or any other exceptional status in regard to federal or state financial aid.

Lenoir Community College has no limitations, suspensions, or termination by the U.S. Department of Education.
