

Dental Hygiene/Dental Assisting Programs (Collaboration with Wayne Community College)

All students who are interested in the Dental Hygiene or Dental Assisting are encouraged to contact a counselor in the Admission/Counseling Office (Admin. Bldg.~ Rm. 140) for details.

The Counseling Staff is available from 8:00 am to 8:00 pm Monday through Thursday and Friday 8:00 am to 3:00 pm.

As a critical factor in the procedure, it is important for students to know their eligibility status early in the process. Once a student is eligible to apply, it is required that he or she registers and attend an assigned session for the application package.

The first session will be October 17, 2007 at 4:00 pm in the Brown Room.
