Students receiving Title IV assistance – FEDERAL STUDENT AID – will be required to repay funds if they totally withdraw from all classes prior to completing 60% of the semester. The 60% point of Fall semester is October 25, 2012; the 60% point of Spring semester is March 18, 2013; and the 60% point of Summer semester is July 3, 2012.

Please be aware that if you register and receive Federal Student Aid funds either by charging tuition, fees, books or other materials in the bookstore or by getting a student refund check and you withdraw from or stop attending classes before the 60% point, you will be required to repay a portion of those funds.

Remember, if you must withdraw, your withdrawal will be based on your **LAST DATE OF ATTENDANCE** at an academically-related activity to include the following:

- Attendance at a lecture
- Attendance at a lab
- Completing a quiz and/or test

If you must withdraw, you must see your advisor, complete a withdrawal form, and submit the completed form to the Dean of Student Services.

A copy of this Return of Title IV funds policy is available in the Office of Financial Aid. If you have questions concerning this policy or other financial aid matters, please contact the Office of Financial Aid at 252.527.6223, ext. 371 or ext. 333.
