Do you believe that some people act crazy at work? Absolutely! A variety of stressors in today's workplace combine to create more difficult people. In "Why Are People Crazy at Work? You will learn:

The four reasons why more people are crazy at work.

Who are the crazy people at work and how to deal with them?

How to make difficult people more accountable.

Who are "problem" people and who are simply annoying?

Why you can't tell someone they have a "bad attitude."

Why it comes down to how they work and how you work.

How to keep crazy people from making you crazy.
