

Hello LCC Family:

Welcome to LCC 360, our electronic newsletter. My hope is to share with you on a monthly basis highlights and updates outside our regular open forums. We have amazing talent on campus doing some incredibly innovative initiatives. From those who have participated in the Big Ideas grant to planning summer experience camps to Middle School Mondays and more, the academic year is off to a great start. We want to keep that enthusiasm going and the positive energy of engagement as we prepare to finish out one semester and head into spring semester. Thank you for making Lenoir Community College such a welcoming and supportive place to be. You are making a difference in the lives of those we serve. It is a pleasure to be a part of our dynamic community.
