

LENOIR COMMUNITY COLLEGE

GUIDELINES FOR HEALTH SCIENCES AND NURSING

PRE-PROGRAM ADMISSION TESTING

2023-2024

The Health Sciences and Nursing pre-admission test requires the ACT or TEAS. The following is information for you to follow for ACT or TEAS. The test results must be within five (5) years to apply to a Health Sciences/Nursing program.

I. ACT

The ACT is offered in various locations but with limited testing dates. You must register for the ACT using this link: <https://www.act.org/content/act/en/products-and-services/the-act/registration.html>. Two additional links will be helpful as well.

<https://www.act.org/content/act/en/products-and-services/the-act/scores/sending-your-scores.html>;

<https://www.act.org/content/dam/act/unsecured/documents/Preparing-for-the-ACT.pdf>.

DO NOT wait. Schedule and take the ACT timely.

II. TEAS

Instructions for TEAS is located at this link: <https://atitesting.com/teas>.

Please read and follow those instructions to include study guides, how to register to take either a proctored or onsite test, cost, how to pay, etc. *You may find additional information about TEAS on the next page.*

III. If you have PSB scores within the last 5 years, please see admissions for consideration.

If you have a Deferred Action Childhood Arrival (DACA) status, please read information on this link: <https://www.lenoircc.edu/programsofstudy/healthcareandnursing/> before applying to a Health Sciences and Nursing program. Feel free to ask questions once you have read this information.
