FACILITY INFORMATION (BIG ROCK STADIUM)

Puck O’Neal Field at Big Rock Stadium was erected in 2010 in Morehead City, North Carolina, the business epicenter at the beautiful Crystal Coast. Big Rock Stadium is located inside Rotary Park, off of Mayberry Loop Road. The stadium was built with generous donations and visions from the Town of Morehead City, The Big Rock Tournament, and Mr. V.J ‘Puck’ O’Neal, for whom the field is named after. Constructed primarily as a baseball complex for the local American Legion baseball programs, the stadium soon found a permanent tenant, the Morehead City Marlins baseball team, operated by Riverfront Sports and Entertainment.

The Morehead City Marlins are a member of the Coastal Plain League (CPL), a wood-bat, collegiate summer baseball league. The CPL features 14 teams playing in North Carolina, South Carolina, Georgia, and Virginia. The CPL gives college players the chance to refine their skills with the use of wooden bats. Players are housed with local host families for the summer, creating great memories for both players and hosts over the years.

Big Rock Stadium has hosted its fair share of events, in addition to about 30 Marlins home games per season. The Marlins have hosted the CPL Championship Series in 2018 and 2019, winning both at Big Rock Stadium. Additional events include the 2014 CPL All-Star Weekend, Division-II junior college tournaments, along with the 2011 North Carolina State Legion Tournament. The Marlins have also hosted exhibitions against the Heroes of the Diamond and USA Collegiate Team, local junior and senior American Legion games, as well as a variety of high school tournaments.

Big Rock Stadium’s main grandstand seats 1,800 fans, with space for another 400-500 standing room only throughout the complex.
