

Equipment and training:

- **5-Axis Machining**
- **CAD**
- **CNC Machining**
- **Computer Diagnostic and Repair**
- **Electrical**
- **Electronic**
- **Hydraulics**
- **Industrial Safety**
- **Manual Milling & Turning**
- **Mechatronics**
- **Metrology**
- **PLC's**
- **Pneumatics**
- **Quality Control**
- **Robotics**
- **Systems Troubleshooting**

Degree and short-term training students can earn credentials in:

NIMS Credentials

- Drill Press I
- Job Planning, Benchwork & Layout
- Measurement, Materials & Safety
- Milling I
- Turning I

Computer/Electronic Credentials

- A +
- CET (Certification Electronic Technician)
- Cisco

NC3 Certifications

- Hydraulics
- Pneumatics
- Industry 4.0
- Intro to Robotics
- Mechanical Level I
- Mechanical Level II
