

2011/12 Catalog Addendum
August 2, 2011

- Add the following courses to page 254:

AUC 116 Custom Mobile Electronics (2 3 0 3)

This course covers custom after-market electronics selection, installation, diagnosis and repair. Emphasis is placed on selection and installation of mobile audio-visual components. Upon completion, students should be able to select, construct, and install custom mobile electronic components.

AUC 117 Custom Airbrushing (2 6 0 4)

This course covers custom airbrushing techniques, finish application, and equipment selection. Emphasis is placed on the design and application of custom airbrushing techniques and proper equipment maintenance. Upon completion, students should be able to design and apply custom air brush graphics using a variety of techniques.

-On page 265 the prerequisite for CHM-094 should read:

Prerequisites: State, MAT 060 or MAT 070 or MAT 080 or MAT 090 or MAT 095 or MAT 120 or MAT 121 or MAT 161 or MAT 171 or MAT 175

-On page 328 the prerequisite for MED 131 should read:

Prerequisites: Local, Enrollment in the Medical Assisting Program (A45400), MED 118 or OST 149

-On page 329 the name of MED 260 should read: Clinical Practicum

-On page 172, the requirements of OST 080 and MAT 080 were removed from program A30180.

-On page 173 and 174, the requirement of OST 080 was removed from programs C30180C1, C30180C2, and C30180C5.

-On page 20 the following sentence should be added before the second to last sentence in the second bullet under Procedures for Applying to Curriculum Programs: "Applicants who attended high school in a country other than the United States are required to have an evaluation of their transcript(s) performed by an outside evaluation service to certify that the applicant has the equivalent of a high school diploma. Applicants should be sure to use an evaluation service not a translation service."
