The College is very concerned about protecting our students, employees, and visitors on campus and at our off campus centers. You can help the college protect everyone by reporting any threats that you receive (or hear about) to your instructor, to security, or to another college official. The College always takes steps to protect anyone who has reason to believe that he/she is in danger. Also, remember to keep your belongings in secure places and report any suspicious activities to college officials. Together, we can help our campus to be a safer place.
