

2023-2024 Form M Signature Page

Your 2023-2024 FAFSA was selected for review in a process called "Verification." In this process, the financial aid office will compare the information reported on your FAFSA with the information on this form and any other required documentation. The law states that we have the right to ask for confirmation of this information before awarding federal student aid. You and a parent (if applicable) whose information was reported on the FAFSA must sign this form, attach any required documentation, and submit the completed package to the LCC Financial Aid Office. If there are differences between the information reported on your FAFSA and the documents submitted to our office, we will make the necessary corrections. We retain the right to request additional information as needed to complete your file. If you have any questions about the verification process, contact the Financial Aid Office as soon as possible to avoid a delay in processing your request for financial aid.

****Your eligibility for financial aid cannot be determined until the verification process is complete.****
