Student Verification of 2020 Income Information for Nontax Filers

Your 2022-2023 FAFSA was selected for review in a process called "Verification." In this process, the financial aid office will compare the information reported on your FAFSA with the information on this form and any other required documentation. The law states that we have the right to ask for confirmation of this information before awarding federal student aid. You and/or your spouse whose information was reported on the FAFSA must sign this form, attach any required documentation, and submit the completed package to the LCC Financial Aid Office. If there are differences between the information reported on your FAFSA and the documents submitted to our office, we will make the necessary corrections. We retain the right to request additional information as needed to complete your file. If you have any questions about the verification process, contact the Financial Aid Office as soon as possible to avoid a delay in processing your request for financial aid.

****Your eligibility for financial aid cannot be determined until the verification process is complete.****

How to Request an IRS Verification of Non-Filing Letter

What is an IRS Verification of Non-Filing Letter?

An IRS Verification of Non-Filing Letter provides proof that the IRS has no record of a filed form 1040 for the year you requested. Non-tax filers can request an IRS Verification of Non-Filing of their 2020 tax return status free of charge from the IRS in one of three ways: online, by telephone, or by completing the paper request.

Online Request – Available at www.irs.gov

- Under Tools, click “Get a tax transcript”
- Click “**Get Transcript ONLINE**” (If at any point you cannot validate your identity – for example, you cannot provide financial verification information or you lack access to a mobile phone – you may use Get Transcript by MAIL, see below)
- Enter the non-filer’s Social Security Number, email address, filing status, account numbers for loan or credit card associated with their name, and mobile phone associated with their name.
- Click “**Continue**”
- Select “**Verification of Non-Filing Letter**” and in the Tax Year field select “2020”.
- If successfully validated, you will be able to view and print your IRS Verification of Non-Filing Letter.
- Sign and submit the IRS Verification of Non-Filing Letter to the Office of Financial Aid.
