POINT COUNT WORK SHEET (FOR OFFICE USE ONLY)

Students are selected according to a point system.

(This point count work sheet is reviewed each year and is subject to change.)

BEFORE applying to the Paramedic to ADN Transition Program, an applicant must satisfy all of the prerequisites prior to receiving the Paramedic to ADN application packet (see Paramedic to ADN Transition prerequisites).

MATH: An applicant must have completed one of the following before receiving the Paramedic to Associate Degree Nursing Transition application packet: An unweighted high school GPA of 2.8 or higher from a College Prep Curriculum valid within 10 years. If this is not met, one of the following options, within 10 years, will satisfy the math requirement:

- Qualifying placement scores
- A grade of "P" for DMA 010-080
- A grade of "C" or higher for MAT 080

OR RISE placement if outside the 10 year high school timeframe and must demonstrate mastery of Units 1-12 (Tier 2) or will be required to complete the transition course until mastery at Unit 12 (Tier 2) is met. Students who do not satisfy the high school GPA or RISE placement requirements, must attend the transition course, MAT 003, until mastery is achieved through Unit 12 (Tier 2). Students who have completed a college approved math course such as MAT 122, MAT 141, MAT 151, MAT 152, MAT 161, MAT 171, or MAT 263 with a "C" or better may meet the math requirement.

MINIMUM of one year full-time EMT Paramedic work experience within 5 years _____
