

**Lenoir Community College**  
**LPN to ADN Transition**  
**Math-Pharmacology Competency Exam**  
**Instructions**

Date: November 12, 2020

Time: 9:00 am

You must be registered for this exam through the admissions office once the LPN to ADN application is submitted to the Director of Admissions, Mr. Dusk Stroud, ext. 394.

Note: **No Late Admittance; No Makeup Exam**

Where: Health Sciences Building #13, room 215 (Room number may change but report to Health Sciences Building #13.)

Cost: No Charge for exam

Questions: (252) 527-6223 ext. 800 or 801

**Exam Information:**

- Bring: 2 pencils; Photo Identification; Calculators will be provided.
- This is a two part exam: math and pharmacology.
- It generally takes about three hours to complete.
- There will be calculations, formulas, and conversion questions.
- Satisfactory competency must be demonstrated to progress to the competitive admission process.
- Numerical grades are not posted. Exams shall not be reviewed. However, if you want to know of your math-pharmacology strengths and limitations, you may email us for this conceptual analysis.
